To Whom It May Concern:

I would like to simply change the name of my invention from the vertical wall mount can pet food dispenser, to the vertical wall mount can food dispenser. The only change is to omit the word pet in the title.

This request is in reference to the invention I had applied for on 7/18/2003, application # 10/622328, art unit 3643, the invention was originally titled the vertical wall mount can pet food dispenser, and is now called the vertical wall mount can food dispenser. I am the inventor and owner, Craig L. Conklin, SS#103642358, and if necessary can be reached at:

Craig L. Conklin  
21 Kew Drive  
Sound Beach, NY 11789

Thank you for your help in this matter.

Sincerely,

Craig Conklin
